

**Eesti  
Supervisiooni ja  
Coachingu  
Ühing**

**2018 - 2020 - 2022**

# 2018-2020

## General focus

- Guidelines of Ethics approved and national Ethics Committee
- National Supervision/Coaching Curricula reviewed
- Applications and approvals for Supervisors' Quality Level (38)
- Quality Standards reviewed; coaches without supervision education included to the Quality Standards
- Supervision added to the Green Book (guidelines for national mental health policy)

# 2018-2020

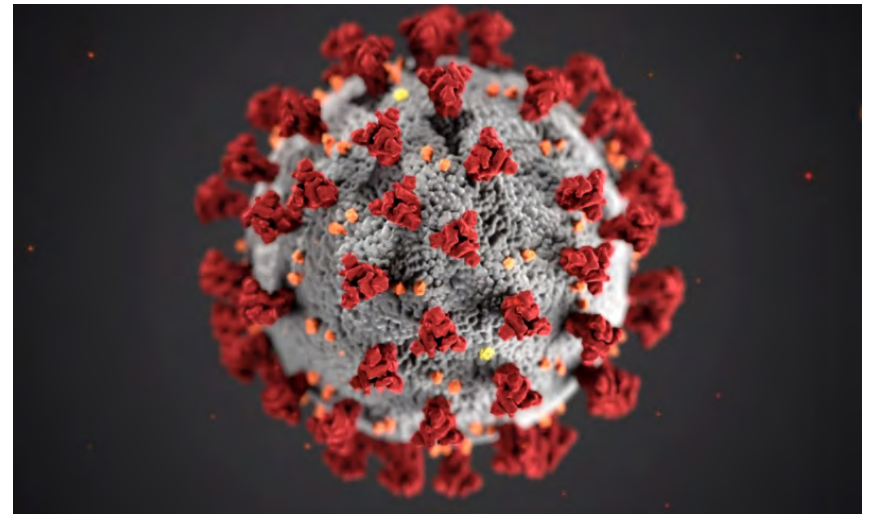

## Active Members

- Growing Membership
- ANSE community:  
Journal&SummerSchool
- Coaching Conference tradition  
(cooperation with ICF Estonia)
- Education & Health Care targeted  
WorkGroups
- Being part of VATEK - mental health  
roof organisation
- For ESCA members: spring &  
autumn school, reading clubs,  
estvision groups, regular  
information letters, virtual library

# COVID 19

- Fast growing knowledge of tools and tips
- Clarification of online confidentiality and safety
- Online regular covision to support our members during COVID times
- Regular cooperation with social ministry
- Introduction and inclusion of the term **Professional Supervision** on the line of different types of supervision

# 2020-2022

## Ongoing Activities and Future Plans

- Visual identity and marketing of ESCA
- Application of Advocacy Procedure in cooperation with mental health organisations (public recognition, support for creating area specific policy)
- Terminology clarification (professional supervision)
- Continuation of good and existing practices, eg reading clubs, estvision, coaching conference etc
- Support for active work-groups
- Keeping alive the topics of quality and ethics
