# Pro Bono Supervision

We offered Pro Bono supervision for:

- Health care workers
- Social workers in childcare in collaboration with UNICEF

Ha az egészségügyben  
dolgozik és úgy érzi,

# CHALLENGES

New laws in Hungary about

- Occupations related to psychotherapy and psychology („*Medicin Man*” law)
- Adult education, competence development

What is supervision legally?

- Regulated or non-regulated profession?
- Experimental learning? Competence development? Linked to applied psychology or not?
- **TASK – register supervision as a profession**
