Subject: recommendation Reijer Jan van 't Hulk, 2nd term

Nijmegen, 23 September 2022

Dear Mrs. Turner,

LVSC is pleased to recommend Reijer Jan van 't Hul for a follow-up term (period 2022-2026) as secretary of the board of ANSE.

We believe that Reijer Jan will fully devote himself to the association for a second term as secretary. In his first term he already proved to be a valuable member of the board of the ANSE. In the field of supervision and coaching, he made a good contribution to constructive European cooperation. He also was a good advisor for the LVSC about international matters and cooperated well with the board of the LVSC and the members of our Committee for International Contacts.

Yours sincerely,

P. Vergeer
Chairman LVSC
