Working Condition

- members of USSC, approximately 2 months after war the start working as volunteers, in war relief projects, privately
- all members have difficult conditions:
 - those who stayed at home,
 - those who moved to Ukraine,
 - those who went abroad
 - Has lost, relatives in army
- Areas of clients needs has been changed rapidly and radically
all supervisors are clients at the same time

Our members deal with

Internal\external

- refugees,
- family with lost,
- job loss for residents
- military personnel on rotation
- military with losses
- organizations during the war

Examples: relocated children's house (Estonia),
teachers of private schools (Irpın, Gostomel and Bucha),
project Kyiv municipality + 5 cities Israel,
In Slovakia project for supporting refugees

What we done as union 2020-2022

- 6 parallel supervisory groups for municipal social services (2 JI for the group, interview sessions within the framework of this project)
- make website ussc.org.ua
- we have an ad hoc chat for....
- intervision groups
- more than actual 10 supervisory groups with the support of ANSE supervisors from the Netherlands, Germany, Latvia
- 4 seminars on trauma, (Sweden, Germany, Latvia)
- today : YCEL method, CORESZONE Garten-Methode
- 6 meetings of the ethics commission (supervisions VS crisis interventions)
- Delegation took part in Summer University

Actual questions

- topical discussion about the boundaries between crisis intervention and supervision
- maintaining a professional position when you have the same problems as the client
