Grundtvig II project 2012 – 2015

Considering the content and goals of this learning partnership, ANSE will run the project under the EC **Leonardo da Vinci program (LdV)**. ANSE will have three members in the steering committee.

ANSE's main goal is to enhance the mobility of supervisors and coaches within the European sphere. To this end the following steps are to be taken:

- To develop a Professional Competences Portfolio Program
- To connect this with EAPM (European Association of Personal Management/HRM), Eurocadres (European Professional Qualifications) and possibly with CEPLIS (European Association for Liberal Professions)
- To follow this up with the development of a Professional Card Program for supervision and coaching in Europe.
